Prices Expire July 31st, 2018 or while quantities last.

## IR 2850MAX-6 1" Dr. D-Handle Impact Wrench

**2 YEAR WARRANTY**

**Control**  
360° adjustable side handle rotates fully around the tool as the job demands.

**Accessibility**  
Swivel hose connection keeps hoses from getting tangled so you can move freely around the work.

With 2,100 ft/lbs of torque, the new Ingersoll Rand 2850MAX 1" D-Handle Impact Wrench is IR's fiercest 1" drive wrench yet, loaded with extreme power that lasts as long as you need and continuously delivers over time. This sturdy yet lightweight impact wrench powers through bolts other tools can't. With a steel core, precision machined impact mechanism and powerful motor, the 2850MAX is solid enough to handle REAL WORK day in and day out without sacrificing power over time. But even with all that high-performance steel, the 2850MAX is still 25% lighter than the industry's leading 1" wrench, so it's easy to maneuver and causes less fatigue. No matter how tough the job, you can power through with the 2850MAX.

**Max Forward Torque: 2,000 Ft/Lbs.**

**Max Reverse Torque: 2,100 Ft/Lbs.**

**Weight: 21.58 Lbs.**

PART #	DESCRIPTION	PRICE EACH
2580MAX-6	IR 1" Dr. D-Handle Impact Wrench	\$659.00
